SKILLS

✓ SOFT SKILLS

- Problem-Solving Team
- Leadership
- Project Management
- Leadership & Teamwork
- Communication & Collaboration

✓ Technical Skills

- Programming Languages:
Java, Python, JavaScript, C++
- Frontend Development:
HTML, CSS, JavaScript, React.js,
- Mobile Development:
Flutter, Kotlin
- Backend & APIs:
REST APIs, Supabase,
Firebase, Node.js
- Machine Learning & Data Science:
Data Preprocessing, Classification &
Regression Basics, Pandas, NumPy,
- Tools & Technologies:
Git, GitHub, VS Code, IntelliJ IDEA,
Figma, Chrome DevTools, Vercel

PROFILE SUMMARY

Computer Science undergraduate with hands-on experience in software development, web technologies and object oriented programming. Experienced in collaborative development using Git and Agile practices. Seeking a software engineering internship to apply technical skills and gain practical industry experience.

EDUCATION

- ✓ BSc (Hon) in Computer Science - University of Westminster
2023- 2027- Currently in 2nd year, Informatics Institute of Technology
- ✓ Foundation for Higher Education 2023
 - Informatics Institute of Technology
 - Passed with a Distinction pass
- ✓ GCE O/L Exam 2023 Sandalanka Central College
 - Passed with 6 A s and 3 B s
 - Including A for Mathematics and English

COURSES

- ✓ English Diploma - 2023 Aquinas college
 - Successfully completed diploma program
- ✓ Web Design Fundamentals
 - Learned UI/UX design principles
 - Wireframing and prototyping

PROJECTS

✓ VanGo – School Transport Management System

- Tech Stack: Flutter, Node.js, PostgreSQL, Supabase, Firebase, Google Maps API
- Developed as a group software development project
- Assisted backend integration and API connections
- Managed data using PostgreSQL (Supabase)
- Used Git for team collaboration and version control

✓ ProcurePath

- Tech Stack: React, Electron, Supabase (PostgreSQL), Tailwind CSS,
- Implemented desktop application support using Electron
- Designed database integration using Supabase (PostgreSQL)

✓ Syncra - The Cloud-Powered Note Ecosystem

- Tech Stack: Flutter (Dart), Firebase Authentication, Cloud Firestore, SQFlite
- Developed a cross-platform mobile note management application using Flutter
- Implemented cloud synchronization using Firebase Firestore
- Added offline support using SQFlite local database
- Used Bloc state management for efficient UI state handling

EXTRA CURRICULER ACTIVITIES

- Chess – Active participant in school, provincial, and national-level chess tournaments.
- Prefect – Member of the PrefectBoard at Sandalankawa CentralCollege.
- Cricket – Member of theSandalankawa Central College cricket team, contributing to team victories.
